

HURA returns to

Hasty Pudding Theatricals

Sunday, February 19, 2017 3:00 p.m.

Farkas Hall, 12 Holyoke Street, Cambridge

Casino Evil (HPT 169)

This year's show takes place in 1930's Nevada with a cast of mobsters, gunslingers, show folks, lawmen, town folks, and occasionally good people, all with elaborate costumes and outrageous names. If you need to know the plot (and we all know that's the least important part of any Pudding show), more can be found at <http://hastypudding.org/current-show>.

HURA's block of seats is in prime upfront locations. Tickets are priced at the discounted group rate of \$35 each. We have a limited supply, so we are initially restricting sales to HURA member and one guest, allocated on the basis of the order that reservations are received (use form below).

Registration deadline, Friday, January 20

We anticipate distributing tickets by mail in mid- to late-January, at which time payment checks will be deposited, and we will no longer be able to offer refunds.

Mail reservation form, payment, and self-addressed envelope to:

Paul Upson, 28 Sherburne Road, Lexington, MA 02421
